

Early Childhood Center

MISSION STATEMENT

The Good Shepherd Lutheran Church Early Childhood Center mission is to provide positive learning experiences early in life as a foundation for future success through a Christian, wholesome, diverse, play-based, developmental learning environment.

In carrying out this mission, The **GSLC ECC**

...BELIEVES CHILDREN are gifts from God.

...BELIEVES FAMILIES are our children's first teachers. We encourage parental involvement and open communication between our parents and staff.

...BELIEVES OUR STAFF is essential in bringing the knowledge of Jesus to all children in our care as well as providing developmentally appropriate learning experiences. We treat our staff with love and respect and are proud of our subsequent low staff turnover. We are intentional about providing our teachers numerous continuing education opportunities for their personal and professional development.

...BELIEVES IN PRACTICING SOUND FISCAL RESPONSIBILITY in order to provide the highest level of care that our children, parents, and staff both expect and deserve. We will utilize our resources wisely to remain a financially strong organization to maintain our position as a leader in early childhood education.
