Dear Good Shepherd Early Childhood Center,

Greetings in the name of our Risen Lord and Savior!

The Lutheran School Accreditation Commission met on June 3, 2010, to review annual reports. Good Shepherd – Cedar Park received an **“EXCELLENT”** rating based upon the annual report with only a couple of suggestions for improvement. This includes a summary/effect statement at the end of each COMPLETED objective in the SIP (School Improvement Plan). Also change deferred to completed. Please contact me if you need help. We are here for you.

We know the accreditation process and annual reports are time consuming projects, so THANK YOU for continuing to work to make the program under your leadership a better place for HIS children.

May God grant you a restful summer and successful new school year.

A servant of Christ,

David Birnbaum (979-366-2218)
LSAC Commissioner

This is only a rating of the annual report, not necessarily of the school program itself.
