

September 2, 2010

Dear Parents,

The first 9 days of the 2010-2011 School Year have flown by. As I make my rounds every day, I see children engaged, learning and playing! It is so exciting to walk down the halls and hear laughter from the children and encouragement from the teachers. I look forward to watching the progress of the children as they learn the new skills that this year will bring.

Theme of Study

This month we are studying about “My Wonderful World.” This week, the children focused on “I am Special.” Next weeks focus is “My Family” and the children will also spend time learning about their friends, school and neighborhood. They will have activities focusing on the shape, “circle” and color, “blue” and the number 1. Mastery of these concepts should not be expected for any age group at the ECC. However, these concepts are taught to begin building a foundation for later learning. Watch for a lot of fun art projects being completed to help the children learn about the concepts taught during the month of September.

Bible Focus

Our weekly Bible verses are: August 30-September 3, Jeremiah 1:5; September 6-10, Luke 11:4; September 13 – 17, Numbers 10:29; September 20-24, Psalms 91:11 and September 27 – October 1, 1 John 4:19. We would love to have you join us at 11:00 a.m. on the alternating days of Wednesday or Thursday mornings to worship with your child. Chapel schedules are available in the office if you would like to have one.
